

HOME CARE DUBAI

COMPASSIONATE CARE, RIGHT AT HOME.

Lumaje Home Health Care LLC

AUTISM CARE

Welcome to Home Care Dubai! Providing Comprehensive Autism Care and Support

At Home Care Dubai, we understand the unique needs of autistic individuals. That's why we offer a specialised hybrid of care, combining the expertise of a DHA-licensed qualified nurse with the nurturing qualities of a nanny. Our professionals are not only skilled nurses but also possess the friendly, outgoing and engaging characteristics necessary to build trust and rapport with our clients.

What Sets Us Apart:

- **Professional Expertise:** Our team includes DHA-licensed qualified nurses who are trained to provide specialised care for individuals with autism.
- **Nurturing Approach:** We prioritise creating a warm and supportive environment that fosters growth and development.
- **Collaborative Care:** We work closely with your therapists and professionals such as speech and language therapists, occupational therapists, social skills advisors and educational psychologists to ensure a holistic approach to care.
- **Tailored Care Plans:** Each care plan is meticulously crafted to incorporate therapy goals and activities that align with the individual's needs and preferences. Care plan goals and activities taken directly from your therapist. Please note: we work in conjunction with your therapist to achieve targets given.
