

- **Flexible Booking:** We offer flexible booking options to suit your schedule.
- **Transparent Pricing:** You only pay for the direct care and support hours you book, with no additional charges for care coordination or activity planning. The care coordinator will revise the care plan as often as required.

- **Wraparound Care:** Our wraparound care model ensures that every aspect of your loved one's care is seamlessly coordinated and integrated. From therapy homework sessions to daily activities, we strive to provide comprehensive support that enhances quality of life and promotes independence.

Experience the difference with Home Care Dubai! Contact us today to learn more about our autism care and support services. Your loved one's well-being is our top priority!
